STEP 3 Member Commitment

I _____, commit to membership in the Calhoun CSA for the Fall 2019 harvest season. As a member, I commit to pick up my weekly share on Wednesdays from the Calhoun School Commons (cafeteria) between 3:00 and 6:00 p.m. I understand that if I do not pick up my share, it will be donated to the Calhoun food program. As part of my membership, I agree to volunteer a minimum of one work shift during the 2019 distribution season.

I understand that being a CSA member involves sharing in the inherent risks of agriculture (poor weather, drought, disease, early frost, crop failure etc.) and rewards (the bounty from a good season). Our farmers have planned for such contingencies, and use growing techniques that protect the harvest, minimize risks to members, and optimize the rewards by growing a wide variety of crops that thrive in different types of conditions. I understand that the share of vegetables will vary from week to week. Members will get a wide variety of vegetables in plentiful amounts, but I understand that there is no guarantee on the exact amount or type of produce I will receive weekly. By participating in the Calhoun CSA, I am supporting Paisley Farm/Upstate Farms and our farmers, Mike Kokas and Jan Greer.
